# **Paying your plan premiums**

You can pay your monthly plan premium (including any late enrollment penalty that you currently have or may owe) by mail each month. You can also choose to pay your premium by having it automatically taken out of your Social Security or Railroad Retirement Board (RRB) benefit each month.

If you have to pay a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you must pay this extra amount in addition to your plan premium. The amount is usually taken out of your Social Security benefit, or you may get a bill from Medicare (or the RRB). DON'T pay Western Health Advantage the Part D-IRMAA.

If you reside in a long-term care facility, you pay the same as at a standard retail pharmacy. You may get drugs from an out-of-network pharmacy, but may pay more than you pay at an in-network pharmacy.

Coverage Gap (Applies to all tiers)

Most Medicare drug plans have a coverage gap (also called the "donut hole"). This means that there's a temporary change in what you will pay for the drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$5,030.

After you enter the coverage gap, cost sharing for Tier 1 drugs (Preferred Generic) and Insulin drugs are the same as in the initial coverage stage. You pay 25% of the plan's cost for the covered brand name drugs, covered specialty drugs, and other covered generic drugs until your costs total \$8,000, which is the end of the coverage gap. Not everyone will enter the coverage gap.

If you reside in a long-term care facility, you pay the same as at a standard retail pharmacy. You may get drugs from an out-of-network pharmacy, but may pay more than you pay at an in-network pharmacy.

| Catastrophic Coverage<br>(Applies to all tiers) | After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$8,000, the plan pays the full cost for your covered Part D drugs. |

If you reside in a long-term care facility, you pay the same as at a standard retail pharmacy. You may get drugs from an out-of-network pharmacy, but may pay more than you pay at an in-network pharmacy.

# Western Health Advantage MyCare Compass (HMO)

# Coverage Gap (Applies to all tiers)

Most Medicare drug plans have a coverage gap (also called the "donut hole"). This means that there's a temporary change in what you will pay for the drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$5,030.

After you enter the coverage gap, cost sharing for Tier 1 drugs (Preferred Generic) and Insulin drugs are the same as in the initial coverage stage. You pay 25% of the plan's cost for the covered brand name drugs, covered specialty drugs, and other covered generic drugs until your costs total \$8,000, which is the end of the coverage gap. Not everyone will enter the coverage gap.

|------------------------------------------------------------------------------------------------|
| services for which you routinely see a doctor. Visit mywha.org/MyCareEOC or call 888.992.7494, |
| 711 TTY to view a copy of the EOC.                                                             |

- Review the provider directory at **mywha.org/MyCareDoctors** (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory at **mywha.org/MyCarePharmacies** to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

# **Understanding Important Rules**

- ☐ In addition to your monthly plan premium (including \$0 premium plans), you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/coinsurance may change on January 1, 2025.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.

Western Health Advantage is an HMO plan with a Medicare contract. Enrollment in the health plan depends on contract renewal.
