2022 Provider and Pharmacy Directory

Section 1 - Introduction

This directory provides a list of Western Health Advantage MyCare (HMO) and Western Health Advantage MyCare Plus (HMO)'s network providers.

You will have to choose one of our network providers listed in this directory to be your Prietary Care Physician (PCP). When you enroll in WHA, you must select a PCP from one of WHA's Medical Groups. Each new Member should select a PCP close enough to his or her home or place of work to allow reasonable access to care. Your PCP is responsible for coordinating your health care by either direct treatment or referral to a participating specialist. All non-Urgent Care or non-Emergency Care should be received from your PCP or other Participating Provider as referred by your PCP.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If medically appropriate, your PCP will provide a written referral to your selected participating specialist. Please remember that if you receive care from a participating specialist without first receiving a referral (or if you see a non-participating specialist without Prior Authorization), you may be liable for the cost of those services. You will receive a notification of the details of your referral to a participating specialist and the number of visits as ordered by your Physician. You need to bring this referral form to your appointment. If you receive a same-day appointment, the specialist will receive verbal or fax authorization, which is sufficient along with your ID card. Please refer to your Evidence of Coverage for additional details.

In order to expand the choice of physician specialists for you, Western Health Advantage has a program called "Advantage Referral." The Advantage Referral program allows you to access some of the Specialist Physicians within your network (as listed in the Provider Directory), instead of limiting your access to those specialists who have a direct relationship with your PCP and Medical Group. While your PCP will treat most of your health care needs, if your PCP determines that you require specialty care, your PCP will refer you to an appropriate provider. You may request to be referred to any of your network specialists who participate in the Advantage Referral program. Your Western Health Advantage Provider Directory designates the providers who do not participate in the Advantage Referral program, or you may call Member Services. Contact your PCP or refer to the Provider Directory to confirm that a particular specialist is available to you.

In an emergency, you can get care immediately. You do not have to contact your PCP or get prior authorization in an emergency. You can dial 911 for immediate help by phone or go directly to the nearest emergency room, hospital, or urgent care center.

2022 Provider and Pharmacy Directory

You may get covered emergency medical care whenever you need it. Emergency care is covered worldwide. Our plans cover emergency ambulance services in situations where getting to the emergency room in any other way could endanger your health.

If you have an emergency, we will talk with doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Under Western Health Advantage MyCare (HMO) and Western Health Advantage MyCare Plus (HMO), your follow up care will need to be provided by an in-network provider to be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over care as soon as your medical condition and the circumstances allow. In most cases, follow up care is covered only if it is provided in the United States. Please consult your Evidence of Coverage or Summary of Benefits for additional detail.

In cases where out-of-network providers submit a bill directly to the enrollee, the enrollee should **not** pay the bill but should submit it to the plan for processing and determination of enrollee liability, if any.

As a member of Western Health Advantage MyCare (HMO) and Western Health Advantage MyCare Plus (HMO) you must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Western Health Advantage MyCare (HMO) and Western Health Advantage MyCare Plus (HMO) will be responsible for the costs.

Directorio de Proveedores y Farmacias 2022

Sección 1 - Introducción

Este directorio contiene una lista de proveedores de la red de Western Health Advantage MyCare (HMO) y Western Health Advantage MyCare Plus (HMO).

Usted tendrá que elegir uno de los proveedores de nuestra red que figuran en este directorio para que sea su Médico de Atención Primaria (Primary Care Physician, PCP). Cuando usted se inscribe en WHA, debe seleccionar un PCP de uno de los Grupos Médicos de WHA. Cada miembro nuevo debe seleccionar un PCP lo suficientemente cerca de su casa o lugar de trabajo para permitir un acceso razonable a la atención médica. Su PCP es responsable de coordinar su atención médica, ya sea mediante tratamiento directo o remisión a un especialista participante. Toda la atención que no sea de urgencia ni de emergencia debe ser proporcionada por su PCP o de otro proveedor participante que sea remitido por su PCP.

Los proveedores de la red que figuran en este directorio han acordado proporcionarle sus servicios de atención médica. Puede acudir a cualquiera de los proveedores de nuestra red que figuran en este directorio; Sin embargo, algunos servicios pueden requerir una remisión. Si es apropiado desde el punto de vista médico, su PCP proporcionará una remisión por escrito al especialista participante seleccionado. Recuerde que si recibe atención de un especialista participante sin haber sido remitido previamente (o si acude a un especialista no participante sin autorización previa), usted puede ser responsable del costo de esos servicios. Recibirá una notificación con los detalles de su derivación a un especialista participante y el número de visitas ordenadas por su médico. Usted tendrá que llevar este formulario de referencia a su cita. Si recibe una cita para el mismo día, el especialista recibirá una autorización verbal o por fax, que es suficiente junto con su tarjeta de identificación. Por favor, consulte su Evidencia de Cobertura para obtener más detalles.

Con el fin de ampliar la elección de especialistas médicos para usted, Western Health Advantage tiene un programa llamado "Advantage Referral". El programa Advantage Referral le permite acceder a algunos de los médicos especialistas dentro de su red (como se indica en el Directorio de Proveedores), en lugar de limitar su acceso a aquellos especialistas que tienen una relación directa con su PCP y su Grupo Médico. Su PCP atenderá a la mayoría de sus necesidades de atención médica, pero si el PCP determina que usted requiere atención especializada, le referirá a un proveedor apropiado. Puede solicitar que se le remita a cualquiera de los especialistas de su red que participan en el programa Advantage Referral. Su Directorio de Proveedores de Western Health Advantage designa a los proveedores que no participan en el programa Advantage Referral, o puede llamar al Departamento de Servicios para Miembros. Póngase en contacto con su PCP o consulte el Directorio de Proveedores para confirmar que un especialista en particular está disponible para usted.

En caso de emergencia, puede recibir atención de inmediato. No tiene que ponerse en contacto con su PCP ni obtener autorización previa en caso de emergencia. Puede marcar al 911 para obtener ayuda inmediata por teléfono o ir directamente a la sala de emergencias, hospital o centro de atención de urgencias más cercano.

Directorio de Proveedores y Farmacias 2022

Puede obtener atención médica de emergencia cubierta siempre que la necesite. La atención de emergencia está cubierta en todo el mundo. Nuestros planes cubren los servicios de ambulancia de emergencia en situaciones en las que llegar a la sala de emergencias de cualquier otra manera podría poner en peligro su salud.

Si tiene una emergencia, hablaremos con los médicos que le brindan atención de emergencia para ayudar a manejar y hacer un seguimiento de su atención. Los médicos que le presten atención de emergencia decidirán cuándo su condición es estable y la emergencia médica ha terminado.

Después de que termine la emergencia, usted tiene derecho a un seguimiento para asegurarse de que su condición sigue siendo estable. En Western Health Advantage MyCare (HMO) y Western Health Advantage MyCare Plus (HMO), su atención de seguimiento tendrá que ser proporcionada por un proveedor de la red para estar cubierta por nuestro plan. Si su atención de emergencia es proporcionada por proveedores fuera de la red, intentaremos hacer los arreglos para que los proveedores de la red se hagan cargo de la atención tan pronto como su condición médica y las circunstancias lo permitan. En la mayoría de los casos, la atención de seguimiento está cubierta sólo si se proporciona en los Estados Unidos. Por favor consulte su Evidencia de Cobertura o el Resumen de Beneficios para obtener más detalles.

En los casos en que algún proveedor fuera de la red presente una factura directamente al inscrito, éste **no** debe pagarla, sino que la debe presentar al plan para que se procese y se determine la responsabilidad del inscrito, si la hubiera.

Como miembro de Western Health Advantage MyCare (HMO) y Western Health Advantage MyCare Plus (HMO) usted debe utilizar los proveedores de la red, excepto en situaciones de emergencia o de atención urgente o para diálisis renal fuera del área u otros servicios. Si obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni Western Health Advantage MyCare (HMO) y Western Health Advantage MyCare Plus (HMO) serán responsables de los costos.

2022 Provider and Pharmacy Directory

Pharmacy Introduction

This booklet provides a list of Western Health Advantage MyCare (HMO) and Western Health Advantage MyCare Plus (HMO)'s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Western Health Advantage MyCare (HMO) and Western Health Advantage MyCare Plus (HMO)'s network pharmacies.

When this pharmacy directory refers to “we,” “us”, or “our,” it means Western Health Advantage. When it refers to “plan” or “our plan,” it means Western Health Advantage MyCare (HMO) and Western Health Advantage MyCare Plus (HMO).

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Western Health Advantage MyCare (HMO) and Western Health Advantage MyCare Plus (HMO) only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage. These are limited to 30-day supplies, and you may pay more than if you had filled your prescription at a network pharmacy.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of *February 22, 2022*. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with  to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Directorio de Proveedores y Farmacias 2022

Farmacias Introducción

Este folleto proporciona una lista de las farmacias de la red de Western Health Advantage MyCare (HMO) y Western Health Advantage MyCare Plus (HMO). Para obtener una descripción completa de su cobertura de medicamentos recetados, inclusive cómo obtener sus medicamentos recetados, revise la Evidencia de Cobertura y las farmacias de la red de Western Health Advantage MyCare (HMO) y Western Health Advantage MyCare Plus (HMO).

Cuando este directorio de farmacias se refiere a "nosotros" o "nuestro", significa Western Health Advantage. Cuando se refiere a "plan" o "nuestro plan", significa Western Health Advantage MyCare (HMO) y Western Health Advantage MyCare Plus (HMO).

Llamamos a las farmacias de esta lista nuestras "farmacias de la red" porque hemos hecho arreglos con ellas para proporcionar medicamentos recetados a los miembros del Plan. En la mayoría de los casos, sus medicamentos recetados están cubiertos por Western Health Advantage MyCare (HMO) y Western Health Advantage MyCare Plus (HMO) sólo si se surten en una farmacia de la red o a través de nuestro servicio de farmacia de pedidos por correo. Una vez que usted va a una farmacia, no está obligado a seguir yendo a la misma farmacia para obtener sus medicamentos recetados, sino que puede cambiar a cualquier otra de nuestras farmacias de la red. Surtiremos las recetas en las farmacias no pertenecientes a la red bajo ciertas circunstancias como se describe en su Evidencia de Cobertura. Éstos se limitan a suministros para 30 días, y es posible que pague más que si hubiera surtido su receta en una farmacia de la red.

Es posible que no todas las farmacias de la red aparezcan en este directorio. Es posible que se hayan añadido o eliminado farmacias de la lista después de que se imprimiera este directorio. Esto significa que las farmacias que figuran aquí pueden dejar de estar en nuestra red, o puede que haya farmacias más nuevas en nuestra red que no estén en la lista. Esta lista entra en vigencia a partir del *22 de febrero de 2022*. Por favor comuníquese con nosotros para obtener la lista más actualizada. Nuestra información de contacto aparece en la portada y contraportada.

Usted puede ir a todas las farmacias de esta lista, pero los costos de algunos medicamentos pueden ser menores en las farmacias de esta lista que ofrecen un costo compartido preferencial. Hemos marcado estas farmacias con  para distinguirlas de otras farmacias de nuestra red que ofrecen costos compartidos estándar.

Puede obtener medicamentos recetados enviados a su casa a través de nuestro programa de entrega de pedidos por correo. Para obtener más información, póngase en contacto con nosotros o consulte la sección de pedidos por correo de este directorio de farmacias.

Si tiene preguntas sobre cualquiera de los anteriores, por favor vea la primera y última página de portada de este directorio para información sobre cómo comunicarse con nosotros.
